Tahirović

Fabrika nameštaja

Tahirović je osnovana 1990. godine u Novom Pazaru kao fabrika za proizvodnju tapaciranog nameštaja. Intenzivan ekonomski, tehnološki i investicioni razvoj preduzeća započeo je 1994. godine izgradnjom moderne fabrike za proizvodnju tapaciranog nameštaja sa najsavremenijom opremom i tehnologijom.

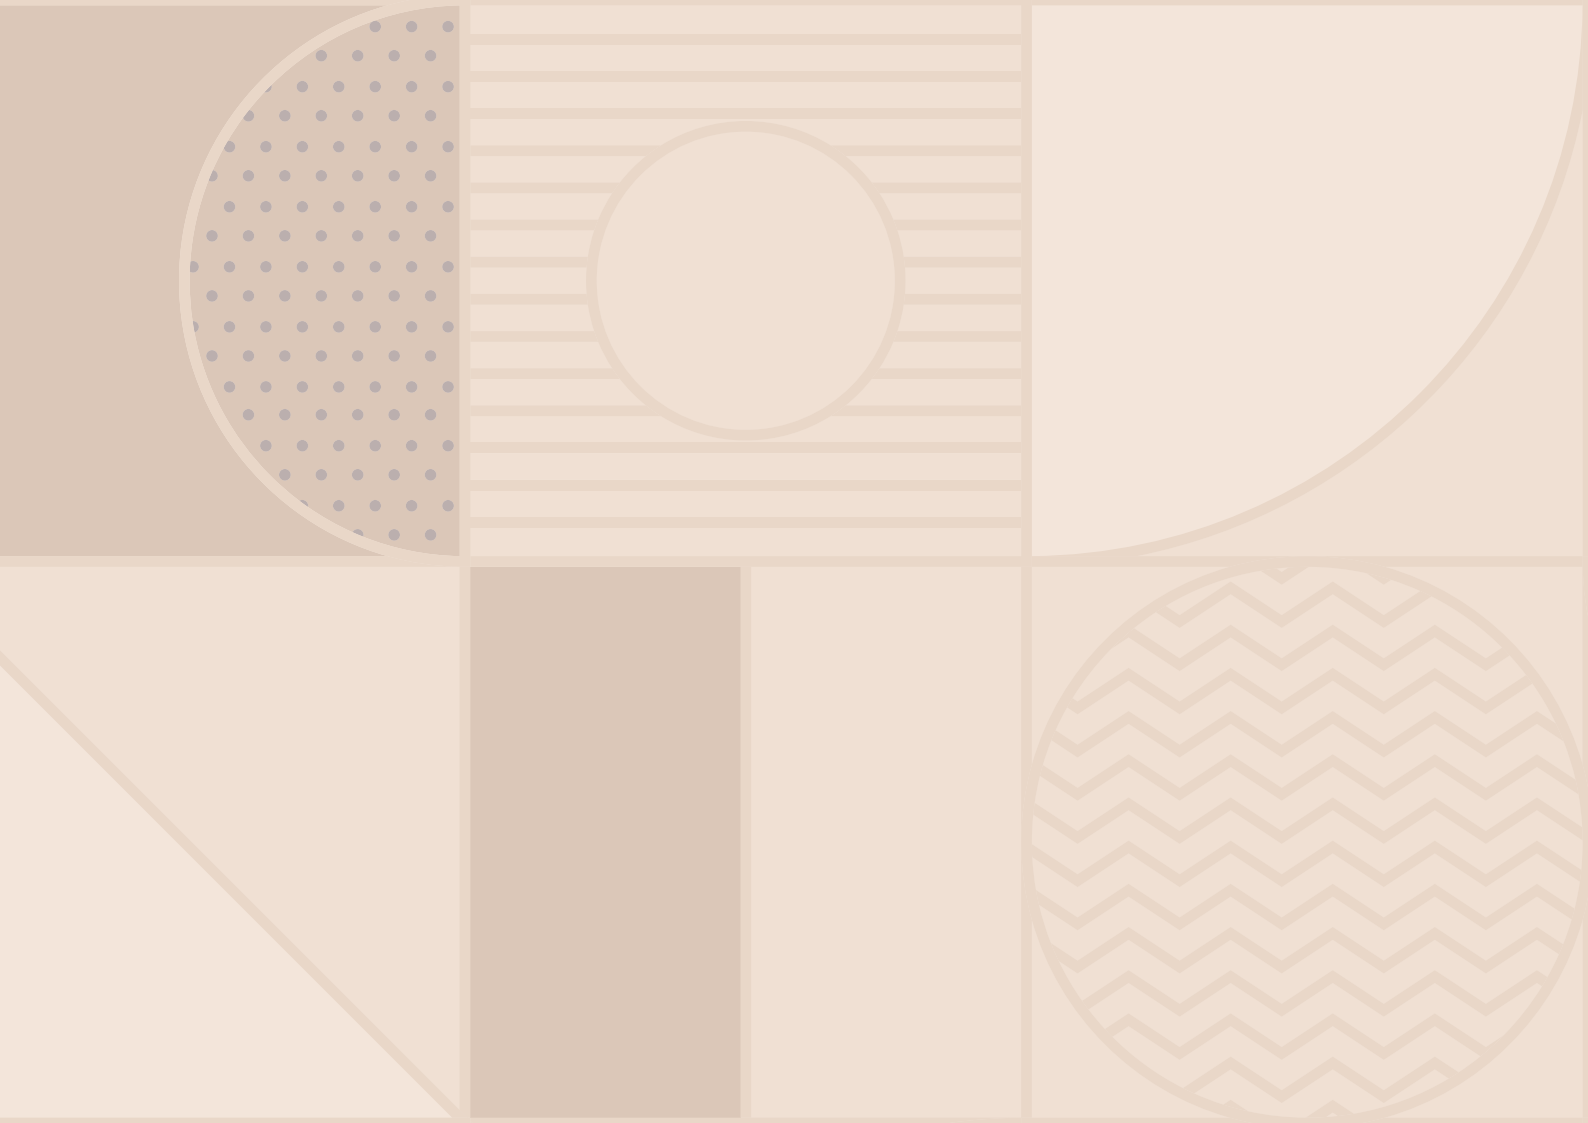

Tokom **dve decenije duge tradicije** i proizvodnog iskustva, kompanija Tahirović stvorila je **prepoznatljiv brend** kako na tržištu Republike Srbije, tako i na tržištima zemalja u regionu.

Danas preduzeće raspolaže sa oko **10.000 m² poslovnog prostora od čega je oko 7.000 m² proizvodni i skladišni prostor**. Kompanija ima svoje sušare, savremeni vozni park sa namenskim vozilima za prevoz nameštaja do kupca i kompletnu servisnu službu.

Sa dugogodišnjom tradicijom u izradi tapaciranog nameštaja, kompanija je u svom usponu dobitnik mnogobrojnih priznanja ne samo na domaćem već i na međunarodnom planu. Naša firma misli pre svega na želje kupaca i posebno vodimo računa o kvalitetu jer i naš slogan govori **"Nameštaj za više generacija"**. U proizvodnji se koriste sirovine odličnog kvaliteta, najvećim delom uvežene iz zemalja Evropske unije.

Cilj kompanije je dalje širenje aktivnosti na tržište Zapadne Evrope i stalno usklađivanje sa novim svetskim trendovima i standardima kvaliteta. I u budućnosti ćemo se truditi da zadovoljimo potrebe svakog kupca i nalazimo najpraktičnija rešenja za savremene uslove života.
